Our Vision:

To develop trusting partnerships that support people in their recovery from mental illness and on their journey toward a better quality of life.

Zoar Valley promotes partnerships in hope and recovery

Introduction

Zoar Valley Recovery and Treatment Center is a clinic service that provides a broad range of mental health services to meet the needs of adults with a diagnosis of mental illness.

We believe that people can and do recover from even the most serious of mental illnesses. We offer a range of services because we believe that recovery requires more than medication.

Our services are designed to foster self-responsibility, resilience, and also give people the opportunity to learn the skills they feel they need to work toward a fulfilling life.
